Information about the town and/or neighborhood	<ul style="list-style-type: none"> - La Línea is a coastal town midway between Málaga and Cádiz. It shares a border with Gibraltar (UK), with part of the population working there. With a 20km (12.4 miles) coastal line, the weather is mild in winter and nice in summer. Its population welcomes anyone coming from abroad because most of its inhabitants have come from places all over the world. Downtown has lots of life and there are many things you can do around. - There is a document some assistants from previous years made. There you will find all the information you need to make the most of it here. https://docs.google.com/document/d/1XNaf6w8jjGI3W1BUJwi-pYarOecxhM3FBEA0pFhHXY/edit
Getting to school	<ul style="list-style-type: none"> - There is public transport here in La Línea, but you

	<p>will not be in need of it because it is way more probable that you end up living near the school and La Linea is quite comfortable to go almost anywhere in town on foot.</p>
<p>Accommodation</p> <ul style="list-style-type: none">- Where to live in town?- Possibility of staying with a family?- Possibility of sharing a flat with teachers?	<ul style="list-style-type: none">- The most popular websites for housing in Spain are Fotocasa and Idealista. As you will be all the way in to make the most of your experience in La Linea, it would be best if you lived downtown. Rentals in this place are expensive, so you'd better stay in an AirBNB for a few days while you look for the most convenient location and you meet the other assistants so you may end up sharing a flat.- There are families who welcome assistants in exchange for private tuition or babysitting.- Every year, new teachers come to the school and they will be always willing to share a flat. You can get that info asking at the teachers' lounge once you get here.
<p>Contact with other Language Assistants</p>	<p>- It would be advisable to facilitate the contact of assistants who have been previously collaborating in the town/area: link to the Facebook group, Telegram/Whatsapp group...</p>
<p>Previous Experiences with Language Assistants</p>	<p>Previous experiences with language assistants, from the first one, Lucy Thrall back in the 2006/2007 academic year, and during all the academic years, up to the current one, have been very positive, both for them and for us.</p>
